

Ferrnsol Chain & Conveyor Lubricant

P R O D U C T D A T A

DESCRIPTION

Ferrnsol Chain & Conveyor Lubricant is a concentrated, soap based lubricant designed to leave a thin film to protect against wear and tear on conveyors, belts, rollers, or chains while providing continuous lubrication.

USES

- Lubricating conveyor belts, chains, and rollers to effectively reduce drag and friction on all moving parts
- Excellent choice for use in automatic spray equipment
- Can remove dirt and grime from chain

ADVANTAGES

- Extends the life of conveyors and connected equipment
- Adheres to chain/rollers and resists drippage
- Environmentally friendly
- Phosphate-free
- Sulfate-free
- Non-Toxic and biodegradable
- Excellent lubrication with extended performance
- Solvent-free and contains no petroleum products

| Product Data | | |
|---|------------|---------------|
| Form: Liquid | Odor: Mild | Color: Orange |
| Solubility in Water: Complete | | |
| Specific Gravity / Density : 1.01 / 8.5 | | |
| Melting / Freezing Point: ~ 30°F | | |

DIRECTIONS

Remove dirt or grease from chain surface to be lubricated.

Apply generous amount of Ferrnsol Chain & Conveyor Lubricant onto chain. Can be applied via spray or brush. Lubrication starts immediately. Re-apply as necessary.

Note: For best product results, perform proper chain maintenance according to manufacturer's specifications.

CLEANUP

Clean tools and equipment with clean water.

STORAGE

Store in tightly sealed containers in a cool dry area away from direct sunlight and sources of heat. Shelf life of properly stored material is one year from date of manufacture.

PRECAUTIONS

In case of eye contact flush with water.

If swallowed rinse mouth with water and drink glass of water.

Packaging and Part Number

55 gal (207.9L) drums
