

# Ferrnsol™ Floor Cleaner

## P R O D U C T      D A T A

### DESCRIPTION

**Ferrnsol Floor Cleaner** is an exceptional cleaning solution that is specially formulated to provide efficient and effective cleaning for a variety of floors including tile, linoleum, laminate, and concrete. This alkaline cleaning solution and advanced formulation tackles grease, dirt, and grime with ease, leaving your floors brilliantly clean and spot free.

### USES

- At full strength or diluted
- Excellent choice for use in general cleaning applications
- Maintains cleanliness and appearance of floors in heavily trafficked areas.

### ADVANTAGES

- Biodegradable and environmentally friendly
- Phosphate-free
- Contains no petroleum products
- Floor specific formulation, easy for handling tough on dirt
- Can be used with spray bottle, mops or floor scrubbers

### Directions:

#### For Heavily Soiled Areas:

Spray or pour onto surface to be cleaned. Wait 1-2 minutes for solution to penetrate and loosen dirt. Scrub and wipe off.

#### As a general cleaner:

Dilute **Ferrnsol Floor Cleaner** 1:1 with water. Spray or wipe on surface to be cleaned. Scrub and wipe off.

### NOTE:

*These are recommendations only; depending on application, dilution rate may vary.*

### CLEANUP

If spilled dilute with water and mop up with damp cloth or towel.

### STORAGE

Store in tightly sealed containers in a cool dry area away from direct sunlight and sources of heat. Shelf life of properly stored material is one year from date of manufacture.

#### Product Data

Specific Gravity / Density: 1.02 / 8.5	
Solubility in Water: Complete	
Form: Liquid	Color: Clear
Melting / Freezing Point: ~ 30°F	
Typical pH range: 10-12	

#### Recommended Dilution Rate w/ Clean Potable Water

Straight	Heavily Soiled Area
1:1	General Cleaning
1:5	Automatic Floor Scrubbers

#### Packaging and Part Number

Ferrnsol Floor Cleaner	
5-gal pail	F4.0251
55-gal drum	F4.0252
275-gal tote	F4.0253
